Hi Phyllis - sorry about not getting that payment taken care of - it's a busy time for Ken (the president of the company) at the moment. I'm going to have a cheque made up for the \$189.80 that's still outstanding (made out to the "Receiver General for Canada" of course) at the end of the month and put it in the mail - I'll alert you when I get it sent.

Take care,

Mike
