Good afternoon Anna – the Nunavut Water Board (Board) acknowledges receipt, on January 5, 2009, of Diamondex Resources Ltd's letter dated December 22, 2008, requesting cancelation of the above mentioned water licences. The cancelation of any licence requires the 3 page application form as well as the \$30.00 administration fee for each file. Once these documents are received the files will be presented to our Board for approval of the cancelation. In the meantime, Richard Dwyer, who is administering these files, will review our public registry to ensure that there are no fees, annual reports or any other reports outstanding.

Regards,

Phyllis Beaulieu
