**Re: Licence No. 2BE-HEE0712: Cancellation of Licence Issued to Canterra Minerals Corporation (Diamondex Resources Ltd) for the Heeqou Property Project**

Dear Ms. Chadwick:

The Nunavut Water Board (NWB or Board) has completed its final review of the application submitted by Canterra Minerals Corporation (Diamondex Resources Ltd.) for the cancellation of Licence 2BE-HEE0712, issued to the Heeqou Property Project, located 220 kilometres south southeast of Kugluktuk, within the Kitikmeot Region of Nunavut.

The review, which considered the application documents, file history, interveners' submissions<sup>1</sup>, and Inspection Reports<sup>2</sup>, has determined that the application generally satisfies the conditions required for cancellation of the licence.

By copy of this correspondence, the Board is informing the Licensee and interested persons that Licence No. 2BE-HEE0714 has been cancelled in accordance with s. 43(1) (c) (i) of *Nunavut Waters and Nunavut Surface Rights Tribunal Act (Act)*, and as directed under Board **Motion No. 2013-B1-048**.

<sup>1</sup> Environment Canada (EC), April 6, 2009; Indian and Northern Affairs Canada (INAC) – Water Resources Division, dated March 17, 2009; Indian and Northern Affairs Canada (INAC) – Enforcement Division, March 9, 2009; and Hamlet of Gjoa Haven – Planning and Lands, March 6, 2009.

<sup>2</sup> INAC Water Licence Inspection Report, dated July 25, 2009; INAC Water Licence Inspection Report, dated July 2010; and Aboriginal Affairs and Northern Development Canada (AANDC), Water Licence Inspection Report, dated September 16, 2013.

The Licensee should note, however, that consistent with s. 46 of the Act, the cancellation of a licence does not relieve the holder from any obligations imposed by the licence.

Should you have any question, please contact the NWB's Licensing Department at (867) 360-6338 or by email to [licensing@nwb-oen.ca](mailto:licensing@nwb-oen.ca).

Yours truly,

A handwritten signature in dark ink, appearing to read 'T. Kabloona', with a long horizontal flourish extending to the right.

Thomas Kabloona
