Good Morning Phyllis,

Please find attached a letter of Clearance for the Henik Lake Project.

Also I can confirm that there was no fuel drums noted during the 2013 inspection of Northern Networking's Camp Project (the Henik Lake Airstrip) with Newmont (or associates) markings on them. Though this information was not included in the 2013 2BE-HEN0508 report I have reviewed all my photos of that site and confirmed this to be correct.

If you have any further question please feel free to contact me.
