Dear Mrs. Jober,

The Nunavut Water Board (“NWB”) would like to acknowledge receipt of the above reports submitted under Part B, Item 2 of Licence 2BE-HEP0712. An internal technical review of the annual reports found that they generally meet the requirements set out in the Licence and are hereby accepted. During the review of the reports the following issues were identified and will need to be corrected in all future annual reports;

1. Identification of the location (GPS coordinates) where greywater and sewage wastes are deposited.

Should you have any further questions, please feel free to contact the undersigned at 867-360-6338 or by email: dbridge@nunavutwaterboard.org

Yours truly,
