Re: Additional Information for High Lake, Wolfden Resources Inc.

A letter was sent to the distribution on March 8, 2001 with documents pertaining to the application from Wolfden Resources for exploratory drilling at High Lake.

Additional baseline information has been received titled "Environmental Inventory-High Lake Area." As this is a large document and limited copies were received, a copy will be mailed to DIAND Iqaluit, EC, DFO, NIRB, and DSD. All other parties can obtain a copy upon request by contacting Wolfden Resources directly as per the contact information in the application sent March 8, 2001 or by contacting our office.

The deadline for comments and concerns is still before **April 5, 2001.**

Sincerely,

Original signed by:
