Dear Mr. Downie:

The Nunavut Water Board acknowledges receipt of your original application by mail on March 15, 2001 as well as the following additional material:

- application fee, Cheque 197 for \$30 payable to the Receiver General of Canada
- copies of "Environmental Inventory."

Receipt C116800 is attached for your records.

We also acknowledge receipt of your Inuktitut summary on March 7, 2001. In my letter to you dated March 6, 2001 mention of your Spill Contingency Plan was inadvertently omitted, but was received along with the MSDS Sheets. Your application is now complete.

This project is currently being screened by the Nunavut Impact Review Board and will be processed by our office when NIRB complete their determination.

Once again, upon request from the public, we ask you to make available, free of charge, copies of all documents pertaining to this application.

You will be contacted should additional information or clarification be required.

Sincerely,
