Dear Ms Beaulieu

**AMENDMENT TO WATER LICENSE 2BE-HG0712**

MMG Resources Inc. (formerly OZ Minerals) would like to apply for an amendment to our existing water permit (2BE-HG0712 exp. May 2012), which covers water use for the High Lake Camp. We are requesting 1) to expand the area of work (exploration drilling) to a group of claims approximately 40km to the south-east, and 2) to include a new temporary camp. The proposed site for this camp is on Inuit Owned Land Parcel BB-68, for which we have submitted an application to the KIA.

Please find attached:

- 1) The Water Application requesting an amendment to the existing permit.
- 2) Translated version of the Water Application.
- 3) Accompanying map detailing the areas of interest.
- 4) A cheque for \$60 to cover the \$30 application fee and \$30 water use fee.
- 5) A Remote Camp Questionnaire for the new temporary camp.
- 6) Translated version of the Remote Camp Questionnaire.

If you have any questions regarding this matter, please do not hesitate to call me at your convenience.

Regards
