Re: High Lake Project

The Nunavut Water Board received an application for a water license renewal from Wolfden Resources for exploratory drilling.

Notice of this application will be posted at local organizations in Cambridge Bay, Kugluktuk, Bathurst Inlet and Umingmaktok.

All documents pertaining to this renewal are available through the internet on our ftp site at <ftp://ftp.nunavut.ca> in the folder "nwb" and sub-folder "NWB2HIG03":

NWB2HIG has been screened by NIRB, and can now be processed by NWB. Parties involved in NIRB's screening can send their comments directly to NIRB as per their instructions. For all other parties, the Nunavut Water Board is accepting written concerns and comments with regards to this project before **June 23, 2003**.

Sincerely,

Original signed by:

Phyllis Beaulieu
Licensing Administrator
