Re: 2BE-HIG0712 Renewal Application - Kitikmeot Region

Dear Ms. Beaulieu:

The Kitikmeot Inuit Association (KIA) has reviewed the Type "B" water licence renewal application submitted by Minerals and Metals Group (MMG). The KIA has no comment on the application, but we would like to make the following suggestions: MMG should

- hire Kitikmeot Inuit for this project; and,
- keep affected Kitikmeot communities informed of project developments.

The KIA would like to thank the NWB for the opportunity to comment on this file. Please feel free to contact us if you have any questions.

Sincerely,

Luigi Torretti, MSc, BComm Senior Environment Officer Kitikmeot Inuit Association
