Re: Annual Reporting; 2003, 2004 and 2005

Dear Mr. Neill:

In reviewing our files, it has come to the attention of the Nunavut Water Board (NWB) that, Wolfden Resources Inc., has not submitted an annual report under Licence NWB2HIG0305 for the calendar year 2003 and 2004. This is a requirement under Part B, Item 1 and is to include all additional information specifically requested within Part I, Conditions Applying to the Monitoring Program.

The Licence renewal, dated August 15, 2005 includes a similar condition under Part B, Item 2. The NWB requests that the outstanding annual reports be submitted along with the report for the calendar year 2005, which is required to be submitted prior to March 31, 2006.

Please use the new *Standard Report Form* for Type "B" licenses, which will be available as of November 1, 2005 on the NWB ftp site at the following address under the folder entitled Standardized Forms.

Sincerely,
