Re: Windy Lake Camp Advisory: Water Use Permit: NWB2HOP0002.

Please be advised that the Hope Bay Joint Venture intends to temporarily close the Windy Lake camp during break-up. The camp will be closed effective tomorrow, June 14 and all personnel will be de-mobilized.

We anticipate that the Windy Lake camp will re-open for summer field activities approximately July 15, once the local lakes are accessible by float plane. The HB JV will advise when the camp is re-opened.

In the meantime, the Boston camp will continue to operate.

Do not hesitate to call me if you have any questions.
