NWB File No: NWB2HOP0002

To: Distribution List

On August 25, 2000 we sent an application to the distribution list for an amendment to the Hope Bay Belt. In the letter from Hope Bay Joint Venture dated August 24, 2000, it states the "area to the discharge point for the system".

For your information I've attached a map from Windy Lake which we had previously received. The effluent discharge of this map is the area referred to in the August 24th letter.

Please consider this in your review for Amendment No. 2.

Sincerely,

Lorna Porter
A/ Licensing Administrator
