Dear Ms. Arko;

Further to my letter of July 7 requesting an extension to the time allotted to respond to the NIRB's letter of June 3, 2015, relevant staff whose input is necessary to properly finalize the responses have been on business travel status and thereby unavailable. Accordingly TMAC respectfully requests a further extension of the response period to August 21, 2015.

Thank you in advance for your consideration of this request.

Regards,
