Re: Acknowledgement and Receipt of Water Use Fee Deposit for Water Licence 2BE-HOP1722

The Nunavut Water Board acknowledges receipt on October 21, 2019 of your confirmation that of the 343 m³ of water use for 2BE-HOP1222 263m³ of water use is on Inuit Owned Land with the remaining 80m³ of water use is on Crown Land.

I confirm as per water regulations 12 (1) (b) (i) in respect of an industrial or mining undertaking, or the undertaking set out in item 8, column 1 of Schedule 1, the greater of \$30 and the aggregate of (i) for the first 2 000 m3 per day that is authorized by the licence, \$1 for each 100 m3 per day your water use fee is \$292.00 the fee is calculated as follows:

$$80 \text{ m}^3/\text{day} \div 100 \text{ m}^3/\text{day} = 0.8 \text{ units of } 100 \text{ m}^3/\text{day}$$
$$0.8 \text{ units of } 100 \text{ m}^3/\text{day} \times \$1.00 \text{ for each } 100 \text{ m}^3/\text{day} = \$0.80 \text{ per day}$$

The other rates do not apply because no water is being used in those quantities.

Therefore the total daily rate is \$0.80 per day

$$\$0.80 \text{ per day} + \$0.00 \text{ for other water rates} = \$0.80 \text{ per day}$$

Thus for a full year of 365 days the annual fee is \$292.00

$$\$0.20 \times 365 \text{ days} = \$ 292.00$$

The Nunavut Water Board has no record of receipt of payment for water use of this licence for the following years:

- **2017** **\$292.00**
- **2018** **\$292.00**

OFFICE DES EAUX DU NUNAVUT

Please refer to the calculation for water use fees, in the Nunavut Waters Regulations, Section 12, to ensure that the correct fee has been submitted. A copy of this regulation is available from our ftp site or by contacting this office. This is an annual fee which is required to be submitted yearly on the anniversary of the issuance of your water licence.

Please call the undersigned at (867) 360-6338 or e-mail licensing@nwb-oen.ca if you have any questions.

Sincerely,

Richard Dwyer
Manager Licensing
