Re: Revised Hope Bay Project Incinerator Management Plan for Water Licences 2AM-DOH1323, 2BE-HOP1222 and 2BB-BOS1217

Hello,

Please find enclosed a revised Incinerator Management Plan (the Plan) for the Hope Bay Project, applicable to Water Licences 2AM-DOH1323 (Part G), 2BE-HOP1222 (Part D, Item 3), and 2BB-BOS1217 (Part D, Item 3).

This Plan replaces the 2012 Incinerator Management Plan.

This Plan has been updated for general improvement and to reflect TMAC ownership, the new incinerator units currently used at Doris, and conversion to a modular format for the licence-specific aspects of the Plan.

Please let me know if you have any questions concerning this submission.

Sincerely,
Katsky Venter
TMAC Resources Inc.
