Dear Mr. di Pizzo,

**Re: July 2000 Compliance Reports for Water License: NWB2HOP0002**

Results from the July water quality sampling program required under the above noted water license are not yet available from the lab. The delay is due to internal laboratory QA/QC sample procedures. We will send the results to you as soon as they are available, most likely later this week.

If you have any questions regarding this submission, please do not hesitate to contact the undersigned at the above numbers or on e-mail [hugh\\_r\\_wilson@hotmail.com](mailto:hugh_r_wilson@hotmail.com) or [hwilson@miramarmining.com](mailto:hwilson@miramarmining.com). Alternatively if urgent, you can contact our consultant Jane Howe at (604)951-1930 or via email at [jmhowe@uniserve.com](mailto:jmhowe@uniserve.com).

Sincerely,  
Hope Bay Joint Venture
