Re: Camp closure advisory license NWB2HOP0207

Dear Mr. di Pizzo,

I would like to inform you that Miramar Hope Bay Ltd.'s Windy camp has closed the 2005 exploration program, drilling and surface exploration, on or around Oct. 7th, 2004. Technical personnel have been demobilized from camp on October 1st.

If you have any questions regarding the camp you can direct them through the Yellowknife group of Scott Stringer; or you can contact me in the Vancouver office.

Regards,
