Dear Mr. Dwyer,

Re.: 2018 Annual Report for 2BE-HRP1419

---

The purpose of this letter is to advise the Nunavut Water Board that no works occurred in 2018 at the Hood River Gold Project in association with 2BE-HRP1419: no water was used, no waste was deposited and no unauthorized discharges occurred.

Given this, it is expected that this letter satisfies the reporting requirements listed under Part B Item 2 of 2BE-HRP1419.

Sincerely,

A handwritten signature in black ink, appearing to read "Peter Kuhn", with a long horizontal stroke extending to the right.
