Tue, May 8, 2018 at 1:46 PM

Good afternoon David,

Block 22 should provide Applicant's financial information. The Board needs to make sure prior to processing the licence application that the Applicant is able to complete all his obligations, if for some reasons Applicant's representative or operator of licence: Agnico Eagle stops operating and abandons the project, or the other option will be to require a Reclamation Security assessed and provided.

Thank you,

Richard
