Water license 2BE-HUC2328, Part B item 2:

2. The Licensee shall file an Annual Report on the Appurtenant Undertaking with the Board no later than March 31st of the year following the calendar year being reported, containing the following information:

- a. A summary of Water use and Waste disposal activities;
 - *No exploration activities were conducted in 2024 under this water licence, no water was used and no waste was generated.*
- b. Quantity of Water (in cubic metres/day) obtained for domestic and other purposes from sources on, in or flowing through Inuit-owned lands for the reporting period;
 - *No water used in 2024.*
- c. Quantity of Water (in cubic metres/day) obtained for domestic and other purposes from sources on, in or flowing through Crown lands for the reporting period;
 - *No water used in 2024.*
- d. Quantity of Waste disposed of at on on-site Waste disposal facility;
 - *No waste disposed of in 2024.*
- e. Quantity of Waste backhauled to approved facility for disposal;
 - *The exploration camp site, established on this mineral property in 2018, was completely demobilized in the summer of 2023. During a site visit conducted by helicopter in September 2024, 18 old drums, remnants from activities by another company in the 1980s and 1990s, were retrieved and transported to Whale Cove for disposal preparation.*
- f. A list of unauthorized discharges and a summary of follow-up actions taken;
 - *No unauthorized discharge occurred in 2024.*
- g. Any revisions to the Plans, as required by Part B, Item 7, submitted in the form of an Addendum;
 - *No revision proposed.*

- h. A description of all progressive and or final reclamation work undertaken, including photographic records of site conditions before, during and after completion of operations;
 - *During summer 2022, the remaining 205-litre fuel drums stored in secondary containment (berm) were removed from the camp site then transported to the Meliadine mine site, and in 2023 the exploration camp was completely removed from the site. All tents and material were transported by helicopter to Whale Cove then transported to the Meliadine camp site.*
 - *During a site visit conducted by helicopter in September 2024, 18 old drums, remnants from activities by another company in the 1980s and 1990s, were retrieved and transported to Whale Cove for disposal preparation*

Figure 1. Preparation for the transport of old drums, September 2024

- i. Report all artesian flow occurrences as required under Part F, Item 13;
 - *No artesian flow occurrences in 2024.*
- j. A summary of all information requested and results of the Monitoring Program;
 - *No monitoring program was applicable in 2024 as no exploration activities were conducted.*
- k. Details pertaining to locations of sump (s) and drill holes;
 - *No sump or drill hole done in 2024 under this water licence.*

- l. GPS co-ordinates (in degrees, minutes and seconds of latitude and longitude) for the locations of all temporary camps established in support of the project if the actual coordinates differ from that provide in the application;
 - *The exploration camp was located at: 62° 7' 14.641" N, 93° 51' 42.201" W.*

- m. A summary including photographic records before, during and after any relevant construction activities or Modifications and/or major maintenance work carried out on facilities under this Licence and an outline of any work anticipated for the next years;
 - *No construction done in 2024.*

- n. Detailed discussion on the performance, installation, and evaluation, including the use photographic record, of the primary and secondary containment functions use in fuel storage to safeguard impacts to freshwaters.
 - *No fuel storage on site in 2024.*

- o. A summary of public consultation/participation, describing consultation with local organizations and residents of the nearby communities, if any were conducted;
 - *No summary to present as exploration activities in 2024 did not include works in the area covered by this licence.*

- p. Any other details on Water use or Waste disposal requested by the Board by the 1st November of the year being reported;
 - *No other details were requested by the Board.*
