**RE: NWB Technical Review of 2017 and 2018 Annual Reports for the Itchen Lake Project; Water Licence No. 2BE-ILP1419**

---

Dear Mr. Moure and Ms. Gunson:

The Nunavut Water Board (NWB or Board) has completed a technical review of the 2017 and 2018 Annual Reports provided to the Board on March 29, 2018. On April 3, 2019, the NWB acknowledged receipt of the Annual Reports and made them available to the Kitikmeot distribution list for information. No comments have been received to date.

The technical review of the Annual Reports determined that the information provided generally addresses the requirements of the water Licence. . Thank you for indicating that no Water use or Waste deposit occurred in 2017 and 2018.

The Board notes that the Licence has expired on February 22, 2019 and recommends submitting an application for Licence renewal if the Licensee intend to do some further work on Itchen Lake Project.

Should you have any questions, please feel free to contact me, Sergey Kuflevskiy, at (867) 360-6338 (extension 29), at your earliest convenience.

Sincerely,

---
