Hello Phyllis,

The Kitikmeot Inuit Association is not opposed to open burning of uncontaminated wood on Inuit Owned Lands so long as the process is properly supervised, managed and cleaned up. Attached is a previously submitted comment to the NWB by the KIA for a similar request by MMG.

Thank you for the opportunity to comment on this file.

Subject: 150218 2BE-IZO1217 Request to Open Burn - MMG Limited - Izok Project - Kitikmeot Region-OMLE

NOTICE TO ALL PARTIES:

The Nunavut Water Board ("NWB") acknowledges receipt of a request from MMG Limited to open burn untreated lumber on-site for the Izok Lake Project. This request is attached for your review and has previously been provided for the same request related to the High Lake Project. .

The NWB gives interested persons/parties thirty (30) days to review the submission and make representations to the NWB. All representations shall be submitted to the NWB by mail, fax or email on or before March 18, 2015, 5:00 pm Mountain Standard Time. At the end of the review period the NWB will review all submissions and you will be contacted should concerns arise or should additional information be needed. Thank you.
