Transport Canada has reviewed the NWB information and has the following comments:

Works Impacting Navigable Waters

The proponent is required to submit *Navigable Waters Protection Act* application(s) to the Navigable Waters Protection Program (NWPP) to initiate an assessment of plans and site for any works or activities to be built or placed in, on, over, under, through or across a navigable waterway, in order to obtain NWPP approval, promulgation or exemption for each specific work. If the proponent is uncertain of the NWPP requirements for a specific work, please contact the following NWPP office:
