Re: 2BE-IZO1217 Camp Reclamation - Open Burning - Ham Lake (Izok)

Dear Ms. Beaulieu:

The Kitikmeot Inuit Association (KIA) has reviewed the open burning request submitted by MMG Limited (MMG). On Inuit Owned Land, the KIA is not opposed to open burning of untreated and/or uncontaminated lumber if the process is properly supervised, managed and cleaned up.

The KIA would like to thank the NWB for the opportunity to comment on this file. Please feel free to contact us if you have any questions.

Sincerely,

Luigi Torretti, MSc, BComm Senior Environment Officer Kitikmeot Inuit Association
