Subject: Twin Mining Corp. – Jackson Inlet– Request for Screening – Renewal

The Nunavut Water Board received a renewal application on March 15, 2002 from Twin Mining Corp. for water use and waste disposal associated with exploratory drilling.

In accordance with S.11.5.10 of the *Agreement Between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in Right of Canada*, this project proposal was first sent for review to the Nunavut Planning Commission (NPC) for their review. As indicated in the e-mail forwarded to your office by NPC dated April 3, 2002, this review is now complete.

In accordance with Articles 12 and 13 of the *Agreement Between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in Right of Canada*, this project shall be screened by the Nunavut Impact Review Board to determine whether it has significant impact potential, and whether it requires review, before the application can be processed by the Nunavut Water Board.

The application documents are available through the internet on our ftp site at <ftp://nwb.yk.com> in the folder "NWB2JAC0101." Please note that NWB2JAC was **previously screened** through NIRB file #01WN080 as indicated by the screening decision dated July 5, 2001.

Please let our office know when we can expect your screening report so that we can set our deadlines accordingly.

Sincerely,
