Re: Water Licence Application of Twin Mining Corp - Jackson Inlet

Dear Ms. Becker,

INAC's Water Resources Division has received the application for the Water Licence NWB2JAC from Twin Mining Corp.

Due to the scale and nature of the project, there is no water licence requirements under the *NWT Waters Act*. Issues such as water use and waste management will be addressed through the land use permit issued to the proponent. A copy of the Jackson Inlet Land Use permit is attached with this letter to demonstrate to the board the waste management that the camp is obligated to follow.

If you have any questions, please do not hesitate to contact me at (867) 975-4548.

Yours truly,

Michael Roy
