Re: Water Licence # 2BE-KAX0609

Dear Phyllis;

Further to our application regarding amendments to our existing water licence # 2BE-KAX0609, please be advised that there is no change to the supplemental information from the previous submission with Pacific Ridge Exploration's request for an expiry date change from Sept 15, 2009 to Nov 1, 2009 as well as an increase in our daily water usage from  $21.5\text{m}^3$  to  $< 100\text{m}^3$ .

Also see attached the English version of the Summary of the Project Amendment. As our translator is out of town till Nov 14, the Inuktitut translation will be delayed.

If you have any questions please do not hesitate to call.

Regards;
