Re: Use of Hamlet Waste Facility

Dear George,

Your request for disposal of waste at our landfill site has been considered and the terms outlined below would apply:

1. A fee of \$300.00 per month would be charged
2. The landfill site will not accept hazardous waste. This would include, but not limited to: vehicle batteries, waste oil, antifreeze or bulk containers of hazardous waste.

Should these terms be acceptable, and a letter of acceptance forwarded to the Hamlet, please consider this letter confirmation of your request to use our landfill facility for your 2007 exploration season.
