Re: Water Licence # 2BE-KAX0609 Ammendment

Dear Dionne;

Further to our attached application regarding amendments to our existing water licence # 2BE-KAX0609, please be advised that there is no change to the supplemental information from the previous submission with Pacific Ridge Exploration's request for an increase in the daily water usage from 56m<sup>3</sup> to 170m<sup>3</sup>. As well, Pacific Ridge requests that the 31m depth of grouting all drill holes be reduced to 15m.

Also see attached the English and translated version to Inuktitut of the Summary of the Project Amendment.

If you have any questions please do not hesitate to call.

Regards;

George Norman, Exploration Manager  
Pacific Ridge Exploration Ltd.
