Good Morning Gentlemen,

The Nunavut Water Board would like a response to the association between Aurora and Newmont so that the water license 2BE-KAZ101 may be closed.

This licence was recommended for closure last year and delaying the process is the lack of correspondence to the Manager of Licensing. See attached the final report and the recommendation letter.

Contact the Manager of Licensing (cc'd on this email) before September 25th, 2013.

Thank you in advance for your time,

Christine Wilson

Good morning Ms. Christine,

I am forwarding your inquiry to Mr. Scott Stringer, Miramar North Mining, Ltd.'s General Manager in Yellowknife. He has assumed responsibility of the Canadian exploration sites that have been acquired by Newmont.

Mr. Stringer will be your future Company contact regarding the closure of the water licence, which I believe has been submitted and he has been in contact with Ms. Phyllis.

Thank you for your follow up.

Hi Eric,

Did you contact the Nunavut water board with regards to cancellation of the 2BE-KAZ

I saw Phyllis was attempting to contact you but may have had the wrong email.
