The Hamlet of Chesterfield Inlet, wishes to thank Solstice Gold for coming into the community and working together with us. We appreciate the time they have taken to engage us and hear our concerns and incorporate our suggestions into their plans and programs. We appreciate the follow through on the employment of a number of members of our community during the field season and for the tour of the field camp, which we found to be clean and respectful. Marty Tunney has spoken to us about his commitment to keep us involved throughout the planning and work programs. This is appreciated by the Hamlet.

The Hamlet of Chesterfield Inlet supports Solstice Gold and looks forward to a long and successful relationship.

Sincerely,

Simieonie Sammurtok  
Mayor  
Hamlet of Chesterfield Inlet
