**Re: Crown-Indigenous Relations and Northern Affairs Canada's comments on  
Water Licence Application Solstice Gold Corp. 2BE-KGP---- Kahuna Gold  
Project**

Dear Mr. Dwyer,

Thank you for your November 7, 2018 invitation for review and comment on the above-referenced application.

The Water Resources Division of Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) reviewed the application pursuant to its mandated responsibilities under the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* and the *Department of Indian Affairs and Northern Development Act*.

CIRNAC notes that an average of twenty (20) people will be on site to carry out the exploration program and did not see any documentation on sewage management. CIRNAC recommends that the licensee discuss sewage management in the Waste MGMT Plan.

CIRNAC appreciates the opportunity to participate in this review. If there are any questions or concerns, please contact me at (867) 975-4555 or by e-mail at [david.zhong@canada.ca](mailto:david.zhong@canada.ca), or Ian Parsons at (867) 222-9278 or [ian.parsons@canada.ca](mailto:ian.parsons@canada.ca).

Sincerely,

David Zhong  
Regulatory and Science Advisor
