Dear Ms. Qusuut, Ms. Beaulieu, Ms. Tattuinnee

RE: NWB 2BE KIG0812 / KIA KVL306C02 – AREVA Amendment Request - Exploration

NWB / KIA land use license application/proposal listed above were reviewed for conformity against the Keewatin Regional Land Use Plan under the under the INAC File N2009C0017 on December 24, 2009. After reviewing the respective submissions, NPC finds that the above applications/proposals do not require the proponent to agree to terms which were previously agreed.

Therefore no conformity determination is needed. I have attached those terms to which the proponent undersigned with this letter, as a recognized authorizing agency under the *NLCA*, agencies addressed are responsible to implement the attached requirements by incorporating the requirements directly, or otherwise ensuring that they be met through any authorizations issued.

My office would be pleased to discuss these with you how to best implement these requirements and to review any draft authorizations that you wish to provide for that purpose.

Thank You

Brian Aglukark, NPC
