Good afternoon Robin,

Re: RE: 2BE-KIG0812 AREVA Resources Canada Inc. Kiggavik Project - Apr 15 CD

Thank you for your email.

The Nunavut Planning Commission (NPC) reviewed the attached application and has determined that it does not change the scope of the originally reviewed project to an extent that would warrant a further review by the NPC at this time.

I have attached the terms agreed to as part of the applicable conformity determination which must form part of any authorisation or permit issued for this project proposal.

Please ensure that any change in the scope of the project is forwarded to our office for further review.

I have copied Nunavut Impact Review Board with this email for their information.

Please contact me if have any questions.

Mutna,

Brian Aglukark, NPC
