Dear Phyllis Beaulieu:

Please be advised that the proposed amendment to NWB licence 2BE-KIG0812 (as referenced in the email below) is considered by the Nunavut Impact Review Board (NIRB) to be a component of AREVA's "Kiggavik" uranium mine project proposal (NIRB File No. 09MN003). As you may be aware, the NIRB is currently awaiting the Minister of Indian and Northern Affairs Canada's (INAC) decision regarding the Board's recommendation that this project proposal undergo a review under Part 5 or Part 6 of the Nunavut Land Claims Agreement (NLCA).

At present, the Board is not able to provide a decision under Section 12.10.1 or Section 12.10.2 of the NLCA for this proposed activity without having a referral from the Minister of INAC for this file. Please see the attached correspondence issued by the NIRB to Diane Martens of AREVA on October 23, 2009 regarding this matter. The NIRB respectfully requests that, pursuant to Section 13.5.4 of the NLCA, the Nunavut Water Board refrain from issuing the amendment to NWB licence 2BE-KIG0812 as currently proposed.

For further information, please contact NIRB's Technical Advisor, Sophia Granchinho at (867) 983-4607 or sgranchinho@nirb.ca.

Best regards,

Ryan
