---

Good morning Phyllis,

We'll need to touch base with the proponent to see if they're going to be looking to do this geotech drilling this upcoming fall/winter. If so we will advise them to re-submit an updated application to NIRB and NWB for consideration.

Sophia is out today but will be back in the office tomorrow - we'll ensure that you're copied on any related correspondence.

Cheers,

Ryan

**Subject:** 2BE-KIG0812 - NIRB File on Hold  
**Importance:** High

Good morning Sophia and Ryan. On November 23, 2009 the attached was received from NIRB and NWB currently has the file on hold. Please advise status.

Regards,

Phyllis Beaulieu
