Hi Phyllis,

This would appear to be exempt under 12.4.3 (NIRB: 06AN085) and if you like I can prepare formal correspondence indicating so.

Subject: 2BE-KIG0812 - Areva Resources - Amendment Application

Hi Leslie - would there be a requirement for further screening by NIRB on an application for an increase in water quality? Areva want to increase their amount of water from 110 cubic meters to 300 cubic meters. Review letter out from our office on July 3, 2008.  
Thanks.
