Hello Richard,

Please find attached the annual report for Water Licence 2BE-HAK2126 for the Hackett River Project, submitted on behalf of Glencore Canada Corp. Also attached are an update SCP and A&R Plan.

I believe Glencore has already submitted the associated Annual Water Use Fee of **\$1,091.35** (= \$1/100m³/day x 299m³/day allocated x 365 days/yr) to the Nunavut Water Board.

Please let me know if you have any questions or comments.

All the best,

Katsky
