Licence No. 2BE-KIG2328**

Dear Ms. Forseille and Ms. Jackson,

The Nunavut Water Board (NWB or Board) has completed a technical review of the 2024 Annual Report from Orano Canada Inc. for the Kiggavik Project located in the Kivalliq Region of Nunavut.

On March 19, 2025, the NWB acknowledged receipt of the Annual Report and provided it to the Kivalliq distribution list for information. No comments or concerns have been received to date.

The technical review of the Annual Report, found that the information addresses the requirements of the Licence. The Board understands that a site inspection was completed from July 23-25, 2024 and no drilling or geophysics were conducted. No water use occurred in 2024. The project continues to be in care and no activities are planned for 2025. No submissions are required at this time.

Should you have any questions, please feel free to contact the undersigned at (867) 360-6338 (extension 33) or ali.shaikh@nwb-oen.ca, at your earliest convenience.

Sincerely,

Mohammad Ali Shaikh
