The Water Resources Division, Yellowknife, has reviewed the above noted amendment application from Debeers Canada Exploration Inc. We have no water related concerns with the amendment request as presented. Standard terms and conditions to address other environmental and water related requirements are recommended for this project. Separate comments may also be forthcoming from our Iqaluit office, as this office has now assumed responsibility for such reviews.

If there are any questions or comments regarding the above, please contact me at (867) 669-2656, or Brian Collins at 669-2657.

Sincerely,
