### Revisions to the Spill Contingency Plan

SCP submitted and approved - no revision required or proposed ▼

Additional Details:

De Beers Canada will be seeking renewal of its Type B water licence in December 2005, as the current licence expires 31 December 2005. A revised Spill Contingency Plan will be submitted with that application.

### Revisions to the Abandonment and Restoration Plan

AR plan submitted and approved - no revision required or proposed ▼

Additional Details:

De Beers Canada will be seeking renewal of its Type B water licence in December 2005, as the current licence expires 31 December 2005. A revised Abandonment and Restoration Plan will be submitted with that application.

### Progressive Reclamation Work Undertaken

Additional Details (i.e., work completed and future works proposed)

N/A

### Results of the Monitoring Program including:

**The GPS Co-ordinates (in degrees, minutes and seconds of latitude and longitude) of each location where sources of water are utilized;**

Not Applicable (N/A) ▼

Additional Details:

Water was not utilised in 2005. There was no field programme and no monitoring programme.

**The GPS Co-ordinates (in degrees, minutes and seconds of latitude and longitude) of each location where wastes associated with the licence are deposited;**

Not Applicable (N/A) ▼

Additional Details:

No wastes were deposited in 2005.

**Results of any additional sampling and/or analysis that was requested by an Inspector**

No additional sampling requested by an Inspector or the Board ▼

Additional Details: (date of request, analysis of results, data attached, etc)

N/A

**Any other details on water use or waste disposal requested by the Board by November 1 of the year being reported.**

No additional sampling requested by an Inspector or the Board ▼

Additional Details: (Attached or provided below)

N/A

**Any responses or follow-up actions on inspection/compliance reports**

No inspection and/or compliance report issued by INAC ▼

Additional Details: (Dates of Report, Follow-up by the Licensee)

N/A

**Any additional comments or information for the Board to consider**

De Beers Canada did not conduct activity in 2005, but a programme for spring 2006 is in preparation. We look forward to renewal of the Kikerk/Knife Lake Water Licence for that purpose and to continuing our co-operative relationship with the NWB.
