Dear Phyllis:

RE: LETTER DATED JULY 13, 2005 - Triex Minerals Corp. - Klrwan Lake Project
- New - Type "B"

We wish to take this opportunity to advise that we did not receive the above-mentioned letter and only became aware of it while recently reviewing the Nunavut Water Board ftp site. We would like to take this opportunity to clarify some of the points from your letter.

Your letter invites the distribution list to obtain the following documents from your ftp site as follows:

- cover letter dated June 3, 2005, received June 9, 2005
- water license application form, received June 29, 2005
- exploration/remote camp supplementary questionnaire, received June 29, 2005
- summary of exploration project (English, Inuktitut, Inuinnaqtun) received June 9, 2005
- application fee of \$30.00 and water use fee of \$120.00
- spill contingency plan dated April 2005, received June 29, 2005
- MSDS sheets, received June 29, 2005
- Map of fuel cache locations, received June 29, 2005
- Abandonment and restoration plan dated June 2005, received June 9, 2005

We would like to point out that the water licence application form, exploration/remote camp supplementary questionnaire, spill contingency plan, and MSDS sheets were all submitted with the original package which was received by you on June 9, 2005. Additional information was provided and revisions were made to these documents that were received on June 29, 2005.

If you have any questions with regard to these clarifications, please do not hesitate to contact me.

Sincerely,
TRIEX MINERALS CORPORATION
