Subject: Triex Minerals Corp. – Kirwan Lake Project – Renewal – Type “B”

Dear Mr. Armitage/Ms. Stritychuk:

The Nunavut Water Board (“NWB”) acknowledges receipt of the renewal for your Type “B” water license on January 7th and February 19th, 2008, for water use and waste disposal associated with uranium exploration and camp operations for the Kirwan Lake Project, in the Kitikmeot Region of Nunavut. All documents received, and pertaining to the application, can be obtained from our ftp site at the following link:

<http://nunavutwaterboard.org/ftp/>

They include the following:

- cover letter dated September 14, 2007, received January 7, 2008
- water license application form, received January 7, 2008
- supplementary questionnaire, received January 7, 2008
- project summary in English, received January 7, 2008
- project summary in Inuktitut, received January 7, 2008
- application fee, received February 26, 2008
- water use fee received February 26, 2008
- project area maps (2), received January 7, 2008
- restoration and abandonment plan, received February 19, 2008
- spill plan and MSDS sheets, received February 19, 2008
- Uranium exploration plan, received February 19, 2008

We undertook a preliminary review of your application and conclude that it meets the requirements of section 48(1) of the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* (“Act”). This said, I must inform you that the NWB reserves the right to request additional

information and studies pursuant to sections 48(2) of the Act or, alternatively, issue guidelines for the provision of information pursuant to section 48(3) of the Act.

The NWB Technical Advisor assigned to your application may be in touch with you to clarify any technical details related to your application.

This application is within an area where there is no land use plan approved in accordance with Part 5 of Article 11 of the NLCA, and is therefore not subject to the requirements of Section 38 (1) to 38 (5) of the Act.

Finally, by copy of this letter to the distribution list and the enclosed notice of application sent to the council of the municipality or municipalities most affected by your application, we invite interested persons to make representation directly to the NWB **within 30 days from the date of this letter.** Please note that an Abandonment and Restoration Plan as well as a Spill Plan have also been received and require review and comments. The NWB may provide additional procedural instructions once the application has been reviewed by interested parties.

Sincerely,

Original signed by:

Phyllis Beaulieu
Manager of Licensing
