Subject: Submission of a 2008 Annual Report under Licence No. 2BE-KIR0812

Dear Mr. Armitage:

The Nunavut Water Board (“NWB”) has completed a technical review of the 2008 Annual Report submitted under Part B, Item 2 of Licence 2BE-KIR0812. The report was distributed for information on July 7, 2009. Comments have been received from Indian and Northern Affairs Canada on July 20, 2009. Following review of the Annual Report and comments, the Report was found to be incomplete. Under Part B, Item 2, the Licence requires the following to be included in the Annual Report:

- A summary report of water use and waste disposal activities;
- A list of unauthorized discharges and a summary of follow-up actions taken; and
- Photographic records of site conditions before, during and after completion of operations.

The NWB looks forward to reviewing the 2009 Annual Report. Also, in addition to the above, a summary of follow-up actions resulting from the 2008 Inspection Report is required.

Should you have any questions, please feel free to contact the undersigned at (867) 360-6338 or by email to dcarr@nunavutwaterboard.org at your earliest convenience.

Yours truly,
