Dear Phyllis;

RE: CLASS A WATER LICENCE APPLICATION

Please find attached a Class A Water License Application and fee for Prosperity Goldfields Corp. Kiyuk Lake Gold Project for a small temporary camp and drill program.

This application is to replace the Class B Water Licence application submitted February 2011 and the Water Licence Amendment application submitted March 2011.

This application includes:

- Completed Water License
- Project Description

The remainder of the required documentation was included in the earlier applications.

The project has received a positive NPC screening as noted in the NIRB letter dated April 12, 2011. If you have any further questions or require any additional information, please do not hesitate to Saz Yaqzan, Consultant, at GeotargetConsulting@gmail.com or phone 780 886 1345, or myself at the contacts below.
