Thanks!!!

Importance: High

Good morning Cynthia,

Further to your email of 31Mar2017 (below), attached are two letters – the first is the joint letter from Northern Empire and Montego whereby the companies agree that Montego has assumed all responsibilities and liabilities under NWB water licence 2BE-KLG1116 and Montego is now bringing forward the request for the water licence renewal. The second letter provides proof that Montego is a valid legal entity capable of assuming responsibility for the undertaking authorized under licence 2BE-KLG1116.

Montego also has supplied their financial statement from 31Dec2016 and I have included this as well.

Please confirm that these documents satisfy NWB's requirements.

Thank you.

Janet
