Hi Ida,

I hope you are well. I am working on the renewal of the file below and there are some documents I can't find. Before writing to the proponent, I wanted to check that they were not included elsewhere on the ftp site.

1) NPC Review of Project Proposals by the Nunavut Planning Commission Letter - In their cover letter Northern Empire state this was included in the renewal request and the document is not in the list of documents below or on the ftp site. Was this omission intentional?

2) Appendices of Spill Prevention and Response Plan - Five appendices are referred to in the Plan and are not included. Were these provided separately?

Thanks,  
Sarah
