Dear Ms. Beaulieu,
Thank you very much for the message. We have no objection if INAC would like the time to investigate our corporate standing in the territory.
Regards,
Alexander

Good afternoon Mr. Po
Indian and Northern Affairs Canada have requested a two week extension to the comment period for your application in order to further review and ensure whether your corporation exists and is in good standing with the territory of Nunavut and have the rights to be in the project area. Please advise if this extension is acceptable to April 15, 2011.
Regards,

Phyllis Beaulieu
