**Date:** Friday, April 01, 2011 1:07:06 PM

---

Hi all,

I'm writing this letter as a request for an extension on comments for water license application 2BE-DIS--  
-- Dismal Lakes Project - Guyana Precious Metals.

The reason for the request is to further review and ensure whether the corporation exists and are in good standing with the territory and have a right to be in this location doing work.

Regards,

Ian
